

## VALUE ADDED SUPPLY CHAIN SOLUTIONS

### Why Choose Tulmar Ridge?

- Responsiveness
- Flexibility
- Engineering Excellence
- Complete Support Services
- Built-in Efficiency
- Ease of Doing Business

Searching for proven solutions for your procurement program? Tulmar Ridge LLC offers expertise and capabilities tested both in the field and in the Defense Supply Chain. We build, assemble and kit components for military programs. Our clients depend on our ability to overcome complex logistics to reduce costs, shorten lead-times and deliver quality parts on-time. From armored vehicles to aerial delivery systems, Tulmar Ridge enables government and OEM program buyers to maximize value through effective procurement.

A close-up photograph showing a person's hand operating a precision machine tool, likely a lathe or mill, in a manufacturing setting. The hand is positioned to adjust or guide a component being processed by the machine.
